Re: Security measures against coronavirus

Dear Sirs,

Due to the ongoing global coronavirus outbreak, BOSMAL suspends business trips abroad and visits by foreign guests until further notice. BOSMAL recommends holding meetings online or conference calls.

Everyone entering company premises has to undergo a mandatory temperature check. People with a reading above 38°C (and those that decline the check) are not allowed to enter.

No access rule also applies to people with clear flu-like symptoms (e.g. cough).

Furthermore, people who returned from abroad within the last 14 days or who are aware that they have been in direct contact with an infected or quarantined person are not permitted to enter BOSMAL's premises.

Thank you for understanding.

Best regards,
