

m) pursuant to Article 26.2d of the Act, a list of companies in the same group of companies as referred to in Article 24.2.5 of the Act, or a statement that the Contractor is not part of any group of companies.

3.2 To the tender document must be also enclosed a detailed technical description of the offered test bench. The description shall be in the Polish or in the English language.

The documents listed in §5 p. 3.1 g-l must be issued in accordance with the requirements laid down in the Prime Minister's Regulation of 19 February 2013 on the types of documents that may be required by awarding entities from contractors and on the form of such documents (published in Dziennik Ustaw of 2013, item 231).

The above documents must be submitted as originals or certified photocopies dated and signed by a person authorised to represent the Contractor.

If the Contractor's registered business office or place of residence is based outside the Republic of Poland, then instead of the documents specified in Article 3.1 of the above Prime Minister's Regulation:

a) paragraphs 2-4 and 6, the Contractors must submit a document or documents issued in the country of the Contractor's registered business office or place of residence, confirming that:

- no liquidation procedure has been initiated against the Contractor and that the Contractor has not been declared bankrupt;
- the Contractor is not in arrears with taxes, health and social contributions or that the Contractor has been granted a lawful exemption from, deferral of or the right to make outstanding payments in instalments or that the relevant authority's decision with respect to the Contractor has been suspended entirely;
- no decision has been issued to forbid the Contractor to tender for public contracts;

b) paragraphs 5 and 7, the Contractor must submit a certificate issued by the relevant judicial or administrative authority with jurisdiction over the place of residence of the person to whom the documents relate, to the extent specified in Article 24.1.4-8 and Article 24.1.10-11 of the Act.

The documents specified in (a), the first and third indents, and in (b) should be issued on a date not earlier than six months before the closing date for submitting tenders.

The document specified in (a), the second indent, should be issued on a date not earlier than three months before the closing date for submitting tenders.

If any of the documents listed in (a) and (b) are not issued in the country of residence of a person or in the country of the Contractor's registered business office or place of residence, the document must be replaced with a document containing a statement, which shall also name the persons authorised to represent the Contractor, made before the relevant judicial, administrative, professional self-government or economic self-government authority in the country of residence of a person or in the country of the Contractor's registered business office or place of residence, or made before a notary public.

In the event of any doubt as to the content of any document submitted by the Contractor whose registered business office or place of residence is based outside the Republic of Poland, BOSMAL may request the relevant authorities in the country of a person's place of residence or the Contractor's registered business office or place of residence to provide the necessary information regarding the document concerned.

4. The Contractor may only submit one tender, offering only one, final price.
5. BOSMAL will accept tenders expressed in and settlements with the Contractor in the Polish currency (PLN) or EUR.
6. BOSMAL will not accept variant or partial tenders.
7. If the Contractor is represented by an agent, the tender document must be accompanied by the agent's power of attorney, specifying the scope of powers and signed by persons authorised to represent the Contractor.
8. If the tender document is accompanied by materials other than required by BOSMAL, e.g. advertising or information materials, it is desirable for such materials to be permanently separated from the tender document.
